## PLASTICS FIRM TO START CONSTRUCTION

### PLASTICS FIRM GRANTED PERMIT TO BUILD ON WOBURN STREET

The Terrel Corp. of Waltham, a concern engaged in plastics manufacture were issued a permit Tuesday, and construction of their new plant on Woburn Street will start immediately.

To be erected at 820 Woburn Street, on the old site of the Klements property, will be an office building and laboratory 31' by 81' and a factory, 76' by 141'.

Work has already started on the laying of water pipe.

## NEW FIRE TRUCK DELIVERED

### ROTARY CLUB CARNIVAL

A Mammoth Carnival will be held at Cain's on Main St., from June 1, to the 6th, with a full schedule of events, sponsored by the Wilmington Rotary Club.

Co-chairmen of the affair are: Harry Huntley and Lawrence Carr.

On schedules which have been arranged to take place each day, there will be: a doll carriage parade, bike parade, beauty contest, popularity contest and on the final evening there will be a colorful display of fireworks.

Entire proceeds will go to the Student Loan Fund.

CONGREGATIONAL L.B.S. PILGRIMAGE TO BUCKLAND, MASS.

Bright and early on the morning of June 3, a Wednesday morning, the members of the several branches of the Congregational Church in Wilmington under the leadership of Mrs. Gertrude Bennett will meet at the Church for the pilgrimage to Buckland, Mass., for a visit with Mrs. Louise Cummings.

The interest in this trip into one of the prettiest parts of our Commonwealth for the purpose of visiting with the Rev. Stanley Cummings and his wife indicates that a goodly number of the members of the L.B.S. will gather at the Church on Wednesday morning, June 3, at 8:30.

Be sure to bring your own box lunch and be ready for a pleasant trip and happy day with Mr. and Mrs. Cummings.

All interested in this pilgrimage may obtain further information by calling Mrs. Gertrude Bennett.

### NEW AERIAL LADDER TRUCK DELIVERED

The aerial ladder truck, that the town voted to purchase last year has finally been delivered. The truck, which was the subject of much controversy between our Fire Chief and Town Manager will cost \$34,000, and has a span of 75 feet.

This aerial ladder truck will greatly improve fire fighting activities and is a welcome addition to our fire fighting equipment. Minimizing the danger of a fireman scaling a burning roof, this ladder truck will enable a speedy approach to a blazing height and offer a security to those firemen battling the blaze.

### BOARD OF HEALTH ISSUES SWIMMING WARNING

Pat Thibeau, Agent for our Board of Health, expressed much concern over the situation of youngsters swimming in the old gravel pits off Route 62, North Wilmington, last week.

In a statement last week, Mr. Thibeau said that the lack of protection such as no life-guards, etc., is serious enough but the fact that there is an old dump in the area and that the property is private, the Board of Health cannot make a Bacteriological analysis of the water.

Mr. Thibeau has issued the warning that all parents forbid their children from bathing at this site.

## ST. THOMAS' WELCOME TO PILGRIM STATUE OF OUR LADY OF FATIMA

Friday, May 29, St. Thomas' parish will welcome "The Pilgrim Statue of Our Lady of Fatima," accompanied by Monsignor William McGrath, ex-Chinese Missionary and prisoner of war, appointed by the late beloved Pope Pius XII to conduct Her Statue throughout the United States of America. So far, Monsignor McGrath has accompanied Her to forty eight states, and over twenty million people have listened to his voice and been inspired to greater love for Her, and increased their petitions for peace.

A Candlelight Procession will leave Villanova Hall at 7:45 p.m. SHARP with the most colorful and prayerful exhibit we can offer to Our Lady. Mr. Edmund Vigeant will welcome Our Blessed Lady in the name of the parish. Directing its way along Middlesex Avenue, after the salute at Villanova Hall, the Procession will stop at our outdoor shrine where the beloved Pastor of St. Thomas will intone the prayer for "Our Departed Sons" -- the Requiem will be sung by St. Thomas' Senior Choir, taps sounded, and after having crowned our Outdoor Statue as Queen of the May, we will prayerfully proceed to enthrone Our Lady on Her throne in our parish church where we will beg Her to bless us, our families, our town,

and our country, and to grant us lasting peace. The Precious Crown that accompanies Our Lady will be placed on her head by Father Croke, and with Her Rosary in Her Hand, She will begin Her visit among us. Monsignor McGrath will deliver the sermon, followed by Benediction of the Blessed Sacrament. Immediately after, the keys of the parish property and the stole of spiritual jurisdiction will be placed at the feet of Our Blessed Lady by the Pastor, to be followed by the placing of the key to each home in the parish (key to be obtained at Villanova Hall on Friday - family name and address to be written in) and to be placed at the feet of Our Lady by a member of the family, possibly the father, accompanied by the family.

### SUMMER SCHEDULE FOR BOARD OF PUBLIC WELFARE

The Board of Public Welfare wishes to announce that it will commence its Summer Schedule effective June 1.

The summer hours are from 8 a.m. to 4 p.m. daily.

This is to conform with the schedule followed by all other Town offices.

### MAY DAY AT WILDWOOD SCHOOL

The annual May Day at Wildwood School held on May 26 was a tremendous success with over 300 parents and pre-school children in the audience.

Each class in succession performed for the audience with great enthusiasm as follows: Fifth grade boys-played baseball. Sixth grade boys-game of volley ball. Fifth grade girls-danced the Bunny Hop. Fourth graders-Virginia Reel. Third graders-Step and Step and Bow Belinda. Second graders-Mexican Hat Dance, and last but not least, the first graders who did the Minuet.

After each class performed, they returned to their class rooms to be served refreshments.

When the entire program was completed, the pre-school children were also served refreshments.

The program of activities was under the supervision of Larry Cushing, Recreational Director.

## DUDLEY BUCK

The sudden, shocking death of Dudley Buck, at 32 years of age, has left the town gasping! In a world of scientific research and development, the death of Mr. Buck will be a sad blow. In the town of Wilmington, where Dudley Buck was so well known and liked, there will be an ache that only years can erase.

Our Town and Nation will be sadly affected by his demise.

## WHO GOOFED?

In spite of all the controversies going on between our town officials and the Railroad regarding the closing of the North Wilmington RR Station, workers are busy right now, laying a new crushed stone road bed along the tracks of the old Wildcat line, cutting across Main Street at Middlesex Avenue.

At the Salem Street crossing, workmen are building a shelter for the stop at that street.

Which proves a point: our town fought the actions of the DPU and the Boston and Main Railroad and seems to have lost. When a group of Civic Minded citizens met and took action for protection of the town on gravel removal operations they were criticized for doing so. The fact that the Town of Wilmington was responsible for a bill in legislature which provides for control of gravel removal, made possible by this meeting of private citizens at the home of Renee LaRivee, brings up a good question.

Was the problem handled right?

Should all things come about as expected, our town will be bisected. Police or Fire apparatus on call to that area of town below Middlesex Ave. may arrive at that crossing at the same time that a train crossing will be taking place. A delay of arrival on the scene of a fire may cause serious property damage and possibly loss of life.

Time and Railroad crossings wait for no man, neither will a fire

With probably the highest water table in the state, a citizen of town would expect cheap water rates. This hardly is the case, however, when some water bills are in excess of 22.00 for a three month period. Combined with our high assessments, a bill like this makes some people unhappy.

The citizens of lower Woburn Street are now happy. After a delay of a year, in which their street was never repaired from the installation of sewerage pipe for AVCO, after many broken auto springs and dusty conditions, a group of these residents went to the Selectmens meeting and voiced their protest. Selectman Hagerty was quite emphatic in his opinion of the situation and had some words with the Town Manager. As a result of this meeting, Woburn Street was resurfaced, all in two days. The residents of Woburn Street should offer a tip of the hat to Frank Hagerty.

The Veterans of Wilmington, who are engaged in raising some do-re-mi for the price of a TV set for George Spanos, have decided that if enough tickets are sold, they will purchase two sets. One set will go to George and the other will be donated to the Community House at the Elderly project. Nice sentiment, indeed, lets help them by buying a ticket.

That new traffic regulation which called for one way traffic up Church Street to Main Street didn't last long. Much to the relief of our Fire Chief Arthur Boudreau, a one day trial proved impractical and the old two way traffic is back in operation.

#### ALCOHOLIC BEVERAGES CONTROL COMMISSION

The attention of Local Licensing Authorities, Police Officials, and all licensees for the sale of alcoholic beverages is called to the provisions of the Liquor Control Act insofar as they relate to the sale and delivery of alcoholic beverages on Memorial Day, Saturday, May 30, which is a legal holiday in Massachusetts.

Hotels, Restaurants, Taverns and Clubs shall not re-open for the sale of alcoholic beverages before 1 p.m.

'Package Goods' Stores shall not sell alcoholic beverages at any time during the day. They may, however, sell until eleven-thirty o'clock p.m. the night before.

Manufacturers and Wholesalers and Importers shall make no sales or deliveries at any time during the day.

Registered Pharmacists shall not sell alcoholic beverages (or alcohol) at any time during the day except upon the prescription of a registered physician.

The discussion dealt also with the appointment of chairman for various committees that are responsible for the many tasks that go to make up a successful show, as well as ideas for promoting the Players and acquiring new members. Last season saw a promising influx of new faces and plans to keep the trend going were drawn up. Tentative plans for a summer meeting, a picnic, and an outing in New Hampshire were set.

In addition to the president, those attending the meeting were Marjorie Whittet, Ella Stockwell, Jim and Helen Lawthers, Dexter Wetherall, John Deering and David Mauriello.

Anyone interested in the Players is always welcome to phone or drop in at any meeting.

#### QUANNAPOWITT PLAYER'S HOLD MEETING

After a very successful past year, the Quannapowitt player's have turned their spotlight on plans for the 59-60 season with a meeting of its officers and board members on May 20 at the home of Mary Valpey, president.

Discussion of plays for production led to the interesting fact that, in a sense, the mood and tempo of our times can be judged by the type of new plays available for presentation; vehicles concerned with emotional conflict and psychological overtones.

## Our Beautiful Rules

Every profession has its creed. Hairdressers, like doctors, take great pride in ideals and aims—and further learning. Perhaps (because our aims are all for your special benefit) you'd like to know the creed our salon lives by:

### 1. We Must Develop Your FULLEST Beauty

Maybe you truly liked the hairstyle we gave you two weeks ago—yet this week we changed a wave here, a line there! We constantly experiment with your coiffure in order that we may find the most beautiful lines possible to flatter your every feature! We concentrate on you—to make the most of your special loveliness.

### 2. We Keep Abreast of All Beauty Developments

Ours (like most alert, growing fields of science) is constantly changing and improving. We attend many special classes and clinics each year in order that we may know of every advancement that could mean more beauty for you—better permanent waves, more successful hair coloring. Our beauty news becomes your good news!

### 3. We Must Know and Understand Changing Fashion

What good is the newest dress if

your hairstyle is a year behind? We keep up with changing hair fashions, and we urge you to let us use them for your coiffure. We like to have you show us a picture of the kind of hairstyle you'd like. But we always reserve the right to adapt it for your features . . . for only flattery is true fashion!

### 4. We Must Constantly Better Our Skills

The beauty school diploma is only the first step in our training careers! The people who serve you in our salon go "back to school" again and again, to assure you of the finest craftsmanship. (Perhaps you've found us "away at a convention" some time you wished an appointment. Please bear with us—we bring back finer artistry each trip!)

### 5. We Must Use the Finest Professional Materials

Mark well those names you see on bottles and packages at our shop! These are the finest professional beauty products available in America. Each lotion, each liquid is a scientific masterpiece perfected through chemical research. We believe only the best materials should be used on your precious hair—the right materials for your special hair problems!

### From under the dryer:

Hair should always be a "kissable" length—that is, the neck should be bare so that it can be kissed.

## DUDLEY BUCK

Dr. Dudley Buck of Birchwood Rd., No. Wilmington passed away on May 21, a victim of virus pneumonia. He was 32 years old and an assistant professor of electronic engineering at Mass Institute of Technology.

He recently developed the tiny cryotron while working at MIT with the Lincoln Laboratories and the Arthur D. Little Co. of Cambridge. The device, used in place of transistors and vacuum tubes in computers, enabled engineers to reduce the room size computers to that of a suitcase.

Born in San Francisco in 1927, Dr. Buck was a graduate of Washington State University and had served with the Navy as a communications officer. He began his graduate studies at MIT in 1950 and remained at college as research assistant and instructor and assistant professor. In 1950 he received his Master of Science degree and in 1958 his doctorate.

Dr. Buck was given the Browder J. Thompson Memorial Award by the Institute of Radio Engineers in 1957.

He served for some time as chairman of the Wilmington School Committee and was a former scoutmaster and lay speaker in the Wilmington Methodist Church.

Besides his wife, Jacqueline Dr. Buck leaves three children, Douglas, Carolyn and David. He is also survived by his sister Virginia Schick of Sacramento.

Funeral services were held on Sunday at 1:30 p.m. at the Wilmington Methodist Church with Rev. Maxfield officiating. Interment took place in Furnace Village Cemetery in Easton where committal prayers were read by Rev. Harding.

Funeral arrangements were under the direction of Guy E. Nichols.

There isn't much time left for you to plan on attending the Booster Banquet.

Final reservations must be made by May 31, and tickets may be obtained by calling, Mrs. Winston Fairfield, at OL8-3828, Mr. Bob Hastings, or Mr. George Dyas, OL8-4123.

Remember, the banquet is to be held on Saturday, June 6, at 6:30 p.m. at the High School Cafeteria. A delicious meal has been planned for your pleasure.

Call for your tickets now!

The regular monthly meeting of the Silver Lake Betterment Association will be held on Monday evening, June 1, at the hall with President John McAndrews presiding.

The Silver Tea held at St. Dorothy's hall last Sunday, was a tremendous success.

Members in charge of the committees, and all committee workers wish to thank all persons who participated, and all who attended for making this event such a great success.

The Wilmington Grange will have their Memorial Service meeting (tonite), Wednesday at the hall at 8 p.m.

All veteran organizations, and Gold Star Mothers have been invited to attend.

The Wilmington Grange Hall Corporation will hold their meeting on Monday, June 1, at the hall at 8 p.m.

On Wednesday, June 10, it will be past-lecturers night at the Wilmington Grange hall at 8 p.m.

Last Wednesday, the Wilmington Youth Canteen Inc., had a meeting to discuss general business and new methods of, entertainment and time consuming events for the coming fall session.

Tentative plans are being made to split the teenagers into two groups in order that suitable entertainment may be had for each age and grade group.

As of the early part of June plans are being completed to

have the 7, 8 and 9 grade students attend the Canteen on Friday nights, and the sophomores, juniors and post-graduates attend on Saturday nights. New membership tickets are being made in different colors and will be sold in the near future.

Further plans in regard to this will be announced later.

The Canteen Hall will be closed May 30 for the holiday weekend.

Don't forget, teenagers, the Canteen is opened all summer for YOUR convenience.

The record hop held last Saturday evening at the Wildwood School was a huge success.

The teenagers really enjoyed their evening with disc jockey Bob Dias.

Watch for their next record Hop.

Wednesday, May 20, Com. Rose Gatta of the D.A.V. Auxiliary Chapter 106 attended the auxiliary installation at Jamaica Plain, Mass.

The social held at the home of Sr. Vice Com. Doris Mans on Saturday, May 23 was successful.

Sunday, May 24, the D.A.V. Auxiliary attended Memorial services at the Methodist Church jointly with the V.F.W. and American Legion.

At 2 p.m. the same day, the four Memorial Parks in town were decorated by these veteran organizations.

Following, at 3 p.m. Com. Rose Gatta, and Sr. Vice Com. Doris Mans attended joint installations in Lowell.

Com. Rose Gatta also attended the installation in Marlboro at 7 p.m. that evening.

Richard Johns Woller, 12, son of Mr. and Mrs. Elmer H. Woller of 31 Main St., was confirmed Trinity Sunday, May 24, in St. Anne's Episcopal Church in Lowell at 8 p.m.

The laying on of hands, or confirmation, was in charge of Anson P. Stokes, Episcopal Bishop of Massachusetts.

It was one of the largest classes confirmed in the church.

#### CONGREGATIONAL CHURCH CABINET MEETING

On June 4, the regular meeting of the Congregational Church Cabinet will be held in the Parish House of the Church.

This meeting will give particular attention to the proposed activities of the Congregational Christian interest in higher education around the world which concentrates in some 28 church related colleges, 11 seminaries and approximately 200 campus ministries in the United States, and in 50 institutions sponsored by the American Board of Commissioners for Foreign Missions in 14 countries overseas. On this particular occasion Mrs. Dwight Dwinell of the Reading Congregational Church will talk to our people on matters pertaining to the plans for what is needed and what should be done to help aid and assist in such important work.

All representatives and members of the various groups identified in our Church work are invited to be present on this date of June 4 to help the Congregational Church in Wilmington to take its proper position in this work that is before us.

#### WILMINGTON WOMEN'S CLUB GARDEN PARTY

## "RELIGIOUS EDUCATION AND YOUR CHILD"

Rev. Edna P. Bruner, Associate Director, field worker and educational consultant for the Division of Education, The Council of Liberal Churches (Universalist-Unitarian), Inc., came into the new federated organization after having been Director, The Department of Education, The Universalist Church of America.

With a B.A. degree from St. Lawrence University and a B.D. degree from the Theological of St. Lawrence University, Miss Bruner was ordained to the Universalist ministry. From 1930 to 1940 she was minister of The First Universalist Church, Waterloo, Iowa. In 1940, she became General Field Worker, The Universalist Church of America and from 1945 to 1951 was minister of the First Universalist Church, Canton, New York, home of St. Lawrence University and its Theological School.

Miss Bruner has had special interest in the church's educational program. For three years, she was Dean of the Universalist Mid-West Institute and for three years she was Director of Laboratory School at Ferry Beach, Maine, and has taught at other institutes throughout the Universalist and Unitarian denominations. While in Canton the church school progressed to the point where, in cooperation with the Theological School, it became an educational center in which theological students learn to teach, under supervision, in a laboratory school setting. She sponsored the College Discussion Group, called by one writer in THE LAURENTIAN, "the most democratic group on campus".

Interested in strengthening the voice and skill of liberalism, Miss Bruner served on the Universalist-Unitarian

## LICENSE RENEWAL APPLICATIONS

Registrar of Motor Vehicles Clement A. Riley today repeated his request to motor vehicle operators renewing their driving licenses to continue to make use of "over-the-counter" service at all branch offices and at 100 Nashua Street.

"As Registrar, I am extremely grateful for motorist cooperation which has helped reduce an unavoidable peak work-load resulting from a changeover to the new 'birthdate expiration' machine license system. The crisis is not yet over. License renewals will continue to exceed normal levels until after July first.

"Because of these conditions and the unusually large number of license renewal applications outstanding, I once more urge motorists to use the 'over-the-counter' service available at all branches and the Boston office. No one should depend on mail service if renewal licenses are to be received before license expiration.

"I am confident the public will understand the need for their continued support and cooperation," stated Registrar Riley.

In addition to the Boston office, license renewal applications will continue to be accepted "over-the-counter" at the branch office located nearest you--Lowell, Lynn or Malden.

## PONY LEAGUE WILDCATS

Last Sunday, the Wilmington Pony League team, Wildcats, held their opening home game with the Stoneham Hawks.

Bill Hanna of the Wilmington Community Fund threw the first ball of the game.

Ricky Frotten pitched a one hitter game, and the final score was 11-2 in favor of the Wildcats.

Due to illness, James Melzar and Ron Outridge were unable to play.

Saturday, May 20 at 2 p.m. the Wildcats will play the Stoneham Eagles at Recreation Park in Stoneham.

## THE OTHER DAY

we were talking about Memorial Day, or, as it is sometimes called, Decoration Day, and you know, this type of remembrance by a whole nation for the departed goes back a long, long way, to the Druids of Gaul and Britain in the centuries B.C., and to the ancient Egyptians, Greeks, and Romans.

Memorial Day in the United States originated in the Southern States as a tribute to their soldiers who made the supreme sacrifice during the Civil War, and later it was adopted by many of the Northern States for the same purpose. It was in 1868, that an order was issued appointing May 30 as a day set aside for paying homage to comrades who died in defense of their country. But it soon became custom to honor all departed souls on this day. Now it is a holiday in 43 of our 50 states.

It is a day not only of sorrow, but of gratitude, when we can revere the memory of those who have gone on, and be glad that they were dear to us, and that we can, on this day, strengthen our spiritual bonds with all our loved ones.

### MASSACHUSETTS GIRLS STATE

The American Legion Auxiliary has started plans to give special citizenship training to 15,000 selected High School Juniors at Girls States throughout the nation in June. Mrs. John H. Tautges, Girls State Chairman of Wilmington has announced.

In Massachusetts the Fifteenth Girls State will be conducted by the Department of Massachusetts, during the week of June 12 to the 19 at State Teachers College, Bridgewater. Mrs. Tautges said during that week girl citizens will set up and operate a miniature State government.

Miss Ruth Urbonas will represent Wilmington Unit #136 to this year's session, and Carol Randell was selected as an alternate.

Girls citizens attending the sessions will be selected on a basis of character and leadership potential from students who complete their third year in High School this year. Girl State citizens will be financed by Auxiliary Units and other cooperating organizations.

At the conclusion of the sessions, two citizens of Massachusetts Girls State will be selected to attend the American Legion Auxiliary Girls Nation, to be held in Washington, D.C. in July. There

they will meet two representatives from each of the other Girls States sponsored by the Auxiliary and participate in a study of United States government as Massachusetts Senators. The American Legion conducts similar states for boys and also a Boys Nation.

Mrs. Mark W. Murrill of Scituate, Past National President, is Director of the Mass. Girls State, assisted by a group of senior and junior counselors with staff members supervising various activities throughout the week.

"In our Girls State this year we plan to devote more time to the actual operation of the miniature state government," said Mrs. Murrill. "We will continue to have the political campaigns for election of state officers, but we want our girls to have more experience in operating their government after they are elected. We want these outstanding young women who will attend Girls State this year to receive the best possible training for democratic leadership. At this time when democracy is being so seriously challenged by Soviet achievements, we consider it especially important to give our young people inspiring experience in self-government, and we hope to make our American Legion Auxiliary Girls State a better training school than ever before."
